# About Us

Our pocket size A6 high quality gloss **print magazine** has been in circulation since January 1998 and there are 3 to 4 x seasonal editions printed each year – Autumn, Winter, Spring & Summer.

This publication is not only an **informative guide and directory** of what is available on the KZN South Coast but it also supplies valuable listings on what **services** are available to the local community as well as **advertising and promoting** all businesses in the area. The **area maps** as well as the **tide tables** and the interesting **“did you know?”** pages form part of this much loved publication.

This popular “little book big beat” serves both local residents of the KZN South Coast as well as the many visitors and **tourists** who frequent our coastline on a regular basis with invaluable editions that are “jam packed” with all sorts of everything including fun images, jokes, valued contributor’s columns, business features as well as beautiful quotes reminding our readers to revel in the great wonders and many mysteries of life.

## THE HEARTBEAT OF THE KZN SOUTH COAST

This publication offers you both print & online advertising for your business and is available **FREE** at selected outlets.

## BRAND YOUR BUSINESS

Brand awareness is important and keeping your brand in the public eye is the key to the success of your business. By advertising with this publication you are assured of a wide distribution footprint.

## BUSINESS DIRECTORY

Your business is placed up in the business directory on our website which includes a direct link to your contact information.

**DO YOU KNOW?**

- Facebook is the world's most visited website after Google and YouTube.
- Google went live in 1998.
- Facebook joined in 2004, originally only available to college students in the USA.
- 20 million photos are uploaded to the platform daily.
- The first BURNING TREE INTERNET was coined in 1990 for New York's Internet Cafe.
- It was known as the first BURNING TREE.
- The internet was invented over 40 years ago in a beer garden.
- The website was originally invented to keep an eye on a soldier girl.
- One of the inventors of World Wide Web is Sir Tim Berners-Lee, a British physicist.
- Windows Internet was founded in September 1990, but it wasn't available commercially until 1995.
